Inflatable raft race we have buoys and will be doing a chicane. etc. with the dingys

Joanne Hancock

Christie Lane Day It is a sheltered workshop we invite the children and they have lunch and corporate donations and go out on the boat for about an hour. Corporate donations are welcome and needed. This will be Fri June 22 and we will start about 8am. We need 30 items for corporate donations. This is so the chaperones can have something too. I send out thank you cards also. We need greeters and people to walk the people down the docks also. We are done usually about 2pm. There is no conflict with GCBA due to this. These are highly functional students who really enjoy this.

Regarding the Venetian regatta I handled the games for a long time. We will not be there this year. I will put the thing together. And someone will fill in for this for me. Please contact me if you can help.

Rear Commodore Jay Onacila

Fleet Captain Denice Zachefsky

The Huron Boat trip is coming up soon . You can send in your money. We need signups on the Leamington trip soon or I will release the docks.

GCBA Report Matt Schmitt. There is not much going on. There is a new marina going in in the paper district in Cleveland. There will be 92 transient docks. ODNR has put a lot of money into this project. This year at GCBA, the Party Fri night in Huron will be a Pirates theme.

ILYA Report Mike Dobransky: The signup forms are needed in ASAP. I will be setting up dockage as usual. We need ideas for the golf cart contest. We need to win this again. for the club. They are gunning for us this year since we have won the past 2 years.

AYC Report Tom Stieber. There is a poster for the regatta. On top of that we have the AYC books in now. If you are traveling west or north, take the AYC guide with you. The AYC guide is invaluable. Use it, it is very good. There is always something to do at the clubs listed there. We are hosting the meeting this year in July. We have this every 3 years.

Welcome to the new members: Long, Malone, Schnieder. Welcome back Tony and Karin Zeh.

Old business – There was a reading of the bylaw change. This is the Guidelines for poker run and commodore's ball. It is specifically about handling of the money. The past commodores wanted this change made. For the reason to mainly protect the club. The proposed changes were read, for a 2nd time.

The motion by Matt Schmitt to accept the changes. Seconded by Mike Dobransky. No one was opposed. The guidelines are very good. This is a good idea

The motion passed.

Motion to adjourn at 1230 pm by P/C Matt Schmitt, seconded by Mike Dobransky.
