Treasurer Kelly Olszak's report was read by Randy Long. As of Thursday we have \$28,903.28. We have \$4100 and change for the John's Commodore Ball. We still have members who have not paid for the steaks at the Middle Bass cruise. Those of you that have not paid please get payment into us A.S.A.P. Thank you.

Fleet Captain Joanne Hancock Report - Our trips to Middle Bass and Kelleys Island went well. Thank you to George Wilson and his crew for handling the steaks at Middle Bass and Randy and his crew for handling the buffet at Kelleys. Our last cruise is to PIB. You will have to make your own arrangement for dockage of your choice. There will be appetizers at the PIB Yacht club. Time is 3pm on Saturday. Right now 46 people are registered. Initial reservations were made for 50. Get your reservations in to make sure we have enough food for all.

AYC Committee reports - No report at this time as delegates Tom and Diane Stieber are out. We need someone to step up. This job runs for the whole year. Most of the meetings all held west of us. If anyone wants to do this job, you have to wear your whites for the meetings.

I-LYA delegate Kris Truthan report - We didn't have the junior bay power and sail event or the senior bay power and sail event due to Covid 19. Think about attending Bay Week next year which is in August & use your membership. There are water activities & shore activities. It is a way to meet people and make new friends. You can find information online or look in the I-LYA handouts for more information.

GCBA - No report.

Randy passed out ballots for revoting on the dues issue for next year. The issue is to pay or not pay dues for 2021. Voting passed to pay dues for next year.
