

Middle Bass Island State Park Cruise
Friday August 19th – Sunday August 21st 2022

Our popular MBISP cruise is quickly approaching and this memo lists all the details you need to know to fully enjoy the weekend.

MBISP Marina monitors VHF channel 71. Contact the marina upon entering the harbor. Provide them with your name and dock assignment.

MBISP office number – 419-285-0311
Sandy Sanchez cell – 216-536-9591

The club is sponsoring a cook-your-own-steak fry on Saturday night. The club is providing two steaks per membership. Those members who have ordered extra steaks will need to pay the club \$15/steak. Payment is due when you pick up the steaks. We will distribute steaks on Saturday, 10:30 am – 12:00 pm from Art & Sandy Sanchez's boat, dock A32. Please bring your own steak storage container.

Charcoal grills will be available for cooking. Please bring your own seasonings and cooking utensils. Grills will be ready to use at 5:30 pm. We have reserved the shelter between B & C piers for the weekend so plan to eat there together. Please bring a covered dish to share and a serving utensil. You will also need to bring your own table service, silverware and beverage.

There is a limited number of picnic tables available in the shelter so if you have a small table or card table or small folding table, please bring it to use in the potluck table line.

Feel free to contact Sandy if you have any further questions or comments. I have limited email ability away from home so please use my cell phone for primary contact. Let's plan for calm seas and gentle breezes. See you at our event.
