

# VESSEL SAFETY CHECKS

Saturday, June 11<sup>th</sup>, 10:00 AM—4:00 PM  
Son Rise Marina, Sandusky, OH

If you are not displaying this decal on your watercraft, it is time to have a Vessel Safety Check performed.

Free Vessel Safety Check by United States Power Squadrons  
Open to the Entire Son Rise Community

Boat safety inspectors do not issue citations but provide a completed written inspection report that allows owners and operators to make recommended improvements to the safety equipment used on their boat. Inspectors look for properly working equipment such as fire extinguishers, life jackets, horns, and navigational lights. Safety checks can be performed on all types of watercraft.

**Please sign up in advance to ensure we have the necessary number of Vessel Safety Examiners to provide this service. [Click here](#) to sign up on line or use the sign up sheet in the Son Rise Marina community room.**

Please review the [Boating Safety Check List](#) and locate all required items in your boat before your vessel is checked. Have them handy and ready to show the examiner. Also, please limit the number of people on board your boat during the inspection.

For more information contact Joanne Hancock at phone: 330-499-3660 or email: [lilboy@neo.rr.com](mailto:lilboy@neo.rr.com)
